

Aerospace represents the next generation of device protection in a business bag, combining a sleek and technologic look with advanced isolation solutions, such as shock-proof polyurethane feet at the corners and full-frame protective padding.

- High-tech design in high-density textile with technical polyurethane accents.
- Innovative Smart Fit Plus™ laptop compartment, even easier to adapt to different sizes of laptops and providing ultimate protection from bumps and shocks.
- Easy Pass cable management system, allowing cables to pass through different bag compartments, keeping electronic devices charged without taking them out.
