

ASTERISM™

Marking a significant depart from the usual stiffness and formality of Business bags, Asterism is a practical collection which, thanks to its deconstructed construction and supple materials, immediately conveys a sense of lightness and softness. Nonetheless it hides a great functionality. The streamlined Business casual style is completed by polyurethane accents.

- Mix of soft-touch and lightweight polyester body and Polyurethane.
- Introducing the new Transformable Duffel, that doubles as Garment Bag and shoes carrier.
- All items (except waist bag) include smart sleeve and full business organization.
- Shiny gunmetal hardware and zipperpullers with polyurethane insert.
