

COLOR FUNTIME™

Our new Color Funtime assortment puts fun back into school time, with a wide variety of colourful, themed prints and unique decorations. These spacious, featured and practical back to school backpacks and wheeled backpacks were designed with bold and trendy 6-10 year olds in mind. Each colourway comes with a matching badge, rubbery zipper puller and 3-D patch on the front pocket. Going back to school has never been so exciting!

- Trendy prints: each have a unique matching zipper puller, rubber badge and 3-D front patch.
- S-shaped shoulder straps and sternum straps on all backpacks which prevent them from slipping off kids' shoulders.
- High-qualitative melange fabric with extra padding.
- Retractable wheel handle, rubber corner guards and bottom kick plate on the wheeled backpacks.
- Reflective details on the front pocket and on the backpack straps for extra visibility.
