

ECO WANDERER™

NEW

3 YEAR WARRANTY

Eco Wanderer is *American Tourister*'s first eco friendly collection allowing us to contribute to the protection of our environment by using post consumer materials. The inner and outer fabric of this collection is made from recycled PET bottles, specially crafted to be durable, flexible and sustainable. Each bag saves at least 27 plastic bottles (depending on its size). This collection also features new ball wheels to make your trip even more comfortable. Travel with Eco Wanderer, travel greener.

- 100% post consumer recycled PET body fabric and lining
- Each bag saves at least 27 plastic bottles (depending on its size)
- Expandability feature on sizes 67 and 79 provides extra volume
- Sportive outdoor inspired ball wheels conquering every terrain
