

EVOA™

Minimalistic. Modern. Made for you.

Evoa™, an evolutionary Makrolon®* polycarbonate collection, will for sure catch your eye. Its striking modern design is featured with metallic corner protectors and enriched by the unique metal logo and brushed texture. The brand new innovative Aero-Trac™

suspension wheel system effectively reduces rolling vibration and noise. The expandability on the check-in sizes, the magnetic pullers and the integrated antitheft zipper will further enhance your travel experience.

Minimal design on the outside, fully featured on the inside

- ▶ Two spacious compartments both featuring cross ribbons
- ▶ Optimal packing with the divider pad, apron pocket and integrated wet pocket
- ▶ A combination of multiple fabrics reflects the modern design

Metal detailing
Ranging from magnetic zipper pullers to corner protections

Optimal protection of your belongings
Integrated, double layer anti-theft zipper and magnetic pullers

Aero-Trac™-suspension wheel system
Shock absorbing design for smooth and comfortable travelling

Expandability
Available on all check-in sizes
