

# FLUX SOFT™

Flux Soft is the revelation in easy access cabin luggage. While perfectly matching the cutting edge design of the zipped polypropylene series Flux, Flux Soft adds a new dimension of high user comfort to the Flux offer with its large front pocket and innovative top pocket. Even when stored under your seat or in an overhead compartment, travel essentials are always at close reach.

- Easily accessible top pocket protected by a strong, textured polypropylene frame.
- Amazing low weight: 1.9 kg only for Upright 55.
- Including removable toiletry pouch for easy and worry-free passing through customs.
- Practical TSA cable lock to close all pockets, including top pocket.
- Dedicated cabin series in 3 sizes catering the major travel airlines.
