

LITE-BOX™

Built to meet the expectations of the discerning traveller

Lite-Box™ combines the best materials with a contemporary design. Lite-Box is among the lightest and sturdiest in its class. State-of-the-art technology combined with a great deal of attention to detail gives

this collection its key look: a large volume, boxy case in a dynamic vertical design with prominent outside corner protections. Now also available in Walnut.

The interior is a winner too

- ▶ Divider pads and cross ribbons in both compartments
- ▶ Height adjustable cross ribbons on check-in sizes
- ▶ Fully lined interior with soft touch premium lining fabric

Corner reinforcements
Eye-catching corners with premium detailing adding strength in the right places

Extended double tube pull handle
Ensure easier travelling when carrying luggage with Smart Sleeve function on top of your case

Smooth rolling double wheels
4 multi-directional, double wheels enabling optimum manoeuvrability

Logo
Striking, integrated logo matching the corner reinforcements
