

MAGNUM™

The magnitude of Magnum

Magnum is a refreshing and unequalled fusion of lightness, outspoken design and the iconic 3-point locking-system. Thanks to our advanced European engineering and manufacturing expertise, it is the lightest framed polypropylene case in its class. The striking logo, chamfered surfaces and complete

integration of each component elevate the outspoken design. Top-notch security and ease of use are guaranteed by the 3-point locking system. Coupled with a highly featured interior and many innovative technologies, Magnum is the perfect companion for an exciting and fascinating journey.

Magnificent organisation

- ▶ In height adjustable cross ribbons and divider pad equipped with bayonet system
