

# PARADIVER PERFORM™

## Water not admitted

A new generation of backpacks is coming, and the keywords are: 'Water not Admitted'. If you are looking for a great looking backpack that will protect your belongings in the worst weather conditions, look no further: Paradiver Perform™ is the answer.

This collection is composed of two sturdy Backpacks

(20L and 27L), featuring a roll top opening and made of water proof TPU-film coated materials and a water repellent welded assembly to ensure the maximum protection in a wet environment. Both backpacks include a practical removable business organization to keep your devices with, ... or without you.

**NEW**
