

AT PRISMO II™

If you want to make a lasting impression, look no further than the AT Prismo II hardside suitcase. **American Tourister's** lightest hardside suitcase range is made from 100% polycarbonate and equipped with a diamond texture to protect against scratches. This innovative luggage range will look better for longer. Prismo II, our ultra lightweight luggage range, comes in optimised cabin luggage sizes to fit major airline rules, and the fixed TSA Lock ensures secure travel while shock absorbing wheels provide more comfort when you're off discovering the world.

- Lightest hardside range – now even lighter
- Fixed TSA Lock for added security
- Shock absorbing wheels for smooth travelling
- Colours match our Colora III range
