

# S'CURE®

With S'Cure - our lightest polypropylene collection so far - Samsonite has succeeded in creating an extremely lightweight and strong three-point locking collection due to the revolutionary material Flowlite®. This material enables Samsonite to produce extremely thin polypropylene shells without compromising on strength. Enjoy dreamy sunset and sunrise skylines this summer with our 6 new gorgeous seasonal colours for spring/summer 2018. The harmonising colour gradient pattern on the main lock will certainly brighten up your day!

- Made in Europe.
- Three-point locking for extra security.
- Seal to limit moisture penetration.
- Smooth rolling double wheels and dual tube wheel handle.
- Interior: lowered cross ribbons or M ribbons, zipped divider pad and large side pocket.
