

# TUNES™

## Styled to perfection

Tunes™, our newest Made in Europe polycarbonate collection, perfectly combines elegance, strength and lightness into one. Tunes will surely compass your expectations in terms of volume and boxy design, while remaining remarkably light at only 3,4 kg for a spinner 75.

Its self-reinforced design with extra protective corners guarantees extra strength. Tunes' distinct, modern design in a high-end matte finishing comes in 3 fashionable colours with refined silver detailing accents.

## Modern & practical

- ▶ Featuring two zipped divider pads
- ▶ Cross ribbons in bottom compartment
- ▶ Fully lined interior with a fresh modern lining
